

... (god help you) is BRESEROVIA, a journal of (sort of) postal Diplomacy and which, in my off moments, chronicled the progress of game #1969BQ, The Triton Game, which (in its off moments) is played at the University of California at San Diego. Horrifying, no? Subscription information is given in #3c. This is Pan-demonium Publication #116 and was edited and published by Rod Walker, 5058 Hawley Blvd., San Diego CA 92116; 'phone 282-1921. Himself is a member of the NPTF GH Diplomacy Division and of the IPW Diplomacy Society.
